Dear Parents,

Voces de la Frontera and Youth Empowered in the Struggle (YES) are organizing a statewide Day without Latinos, Immigrants and Refugees in Milwaukee on February 13th to stop Sheriff Clarke from enrolling in the federal 287g program to have his deputies act as ICE agents!

On Monday, February 13th, instead of going to work and school, community members will march at 11am from 1027 S. 5th St. in Milwaukee to the Milwaukee County Courthouse. There will then be a rally which will end by 2pm.

This trip is NOT a school-sponsored field trip. **To avoid truancy, you need to CALL IN your child's absence to their school to excuse them for the day.**

Estimados padres de familia,

Voces de la Frontera y Youth Empowered in the Struggle (jóvenes empoderados en la lucha) están patrocinando Un Día Sin Latinos en Milwaukee, para que los diputados de Sheriff Clarke no actúen como agentes de ICE. La acción se llevara a cabo en Milwaukee de 11:00 am – 1:00 pm.

Este viaje no es una excursión escolar.

Para evitar el absentismo escolar, usted necesitaría llamar en ausencia de su hijo a la escuela.
